PRESIDENT'S MESSAGE

Dear Postmaster Friends:

I would like to express my appreciation for the opportunity of serving you as president of the Utah Chapter for 1967.

The year thus far has been most rewarding. It has been one of hard work and there have been problems, but with the help of the other chapter officers we have been able to have a successful year.

I am most grateful to the Chapter Officers for their support and help. They have devoted themselves to their offices and have served you well.

As officers, we welcome you to the convention and hope that it will be a rewarding experience for you. Heber Rasband, our host postmaster, has made excellent preparations to assure us of a good time.

We extend a welcome hand to you who are new postmasters and are here for the first time. We hope that you will find a spirit of friendliness and helpfulness that will make you proud to be a part of this great organization of postmasters.

We are especially pleased to have our new Regional Director and other guests in attendance and welcome them to our convention.

ARVIN L. BELLON, *President*

GREETINGS FROM HOST POSTMASTER

Ten years ago it was a privilege to act as Host for the Postmasters of Utah at their state convention. This year I am happy to welcome you back to Beautiful Heber Valley for the 1967 Utah Chapter NAPUS convention.

I want to express thanks and appreciation to the wonderful people of Wasatch County for the help they have given me. Cooperation of such people make the planning of a convention a pleasure.

Thanks to Kay Probst, postmaster at Midway, Utah, and Phyllis Davis, postmaster at Wallsburg, Utah, for the help they have given.

Pres. Arvin and other state officers have been most kind and helpful.

The people of Wasatch County join me in welcoming you. May your stay be pleasant. Feel free to ask anyone in Wasatch for help.

HEBER M. RASBAND *Host Postmaster*

DAVID A. BUNN

GREETINGS FROM REGIONAL DIRECTOR

I am looking forward to my visit to your convention. I believe that it is vitally important for you to support your organization, and I hope that Utah will have a good representation at your national convention. With your help the Denver Region can become the "Number One" Region in every respect in our great Postal Service.

Sincerely,

DAVID A. BUNN
Regional Director

D. R. TREVITHICK

GREETINGS FROM IMMEDIATE PAST PRESIDENT, NAPUS

An unfortunate conflict in chapter convention dates as between Utah and Idaho will prevent Marion and me from spending as much time with you as we would otherwise have done, but we can and will be present for the last day of the program at Heber City.

At the end of this year I shall finish a long period of service in various capacities on the NAPUS Executive Committee. My years as a member of the "official family"

have been priceless to me, and I trust that they have been rewarding to the Association.

Out of widespread and long-standing personal experience, I can testify that postmasters constitute about as fine a group of people as could be found anywhere. Particularly pleasant and rewarding to us have been our opportunities to associate with our Utah friends. Our gratitude for the support we have always received is beyond my ability to express.

May this year's convention be one of the most pleasant and most profitable ever.

Sincerely,

D. R. TREVITHICK
Immediate Past President
National Association of Postmasters
